

Metro New York Contractors who work with us do so because they...

- Seek alternative insurance structures and products that give a firm a competitive cost advantage
- Want to maximize their premium spend for the resources and benefits that their agent can bring to bear
- Need reliable affirmation that their insurance program has the right coverage, limits, deductibles, and premiums
- Desire a full-service firm with embedded Surety capabilities
- Want help reviewing and negotiating complex or difficult contracts
- Manage claims across policy lines and periods including coverage disputes and complicated “mixed” claims
- Desire to work with a firm who manages total cost of risk through a dedicated risk management platform that includes our Risk Solutions Group
- Expect to finish their annual renewal early with few difficult or last-minute decisions
- Need to get accurate certificates of insurance quickly with live in office coverage from 6AM to 6PM and the ability to issue round the clock as needed
- Operate in challenging markets and jurisdictions requiring high level coordination
- Need New York Labor Law expertise and the Contractual Risk Transfer services that it demands
- Want an agent who understands the NY Construction insurance marketplace and can leverage their deep and meaningful relationships with those players for their benefit.
